Canada: Respond Generously to All Refugees

Dear Minister McCallum,

I want Canada to be a country that welcomes and supports refugees. I am encouraged by your response to the resettlement of Syrian refugees in 2016. More needs to be done.

I urge you to:

- Develop long term plans for substantial refugee resettlement from ALL world regions in the coming years.
- Provide flexible humanitarian pathways for refugees to arrive and remain in Canada
- Facilitate speedy reunification of refugee families
- Work with other countries for a coordinated, generous and rights-based global response to ALL refugees.
- Encourage all countries to resettle 10% of the world's refugees by 2018

Please submit petition by December 2016 to:
