

Canada: Help Free Huseyin Celil

Minister of Foreign Affairs: Chrystia Freeland,

Huseyin Celil, is a Canadian Citizen of Uighur origin. He has spent more than 10 years imprisoned in China; much of that time in solitary confinement. Huseyin's health is poor; he requires medical attention and is only allowed limited family visits.

I urge you to insist that the **Chinese government release him immediately**, and allow him to return to Canada. Until that happens insist that he receive adequate exercise, nourishment, and prompt medical attention.
