## Human Rights Defenders are Under Attack

## Human Rights Defenders are Under Attack

Around the world, people who take a stand for human rights are being undermined by smear campaigns, government surveillance, unjust imprisonment and forced disappearance. Many have even been killed.

## What is a Human Rights Defender?

## What is a Human Rights Defender?

Anyone who takes action to peacefully defend human rights is a human rights defender. They can be teachers, students, political opponents, factory workers, activists, journalists, lawyers, or anyone else who stands up for human rights.

Anyone who takes action to peacefully defend human rights is a human rights defender. They can be teachers, students, political opponents, factory workers, activists, journalists, lawyers, or anyone else who stands up for human rights.

# I AM A HUMAN RIGHTS DEFENDER

When you take action to protect a human rights defender, the impact of your support is felt by the entire community whose rights are at stake. Not only that, you become a human rights defender as well!

## Take Action Now!

Visit [www.amnesty.ca/wedefend](http://www.amnesty.ca/wedefend) to take action in support of courageous human rights defenders and learn about more ways to get involved.

## Be Part of Our Photo Action!

Take a picture declaring “I am a Human Rights Defender” and tell us why you take action for human rights. Use the hashtag #WeDefend on social media.
