Madagascar: Clovis Razafimalala

For more information on this petition please contact: hhomes@amnesty.ca

To: Minister of Justice Rasolo Elise Alexandrine

Clovis Razafimalala works to protect Madagascar's vanishing rainforest, but not everyone appreciates his efforts to defend the environment. In July 2017, Clovis was convicted on fabricated charges of leading a violent protest and given a five-year suspended sentence. **We call on you to overturn the sentence against Clovis Razafimalala immediately.**

Sincerely,
