

Iran: Release Mohammad Ali Taheri

Your Excellency Ayatollah Sadegh Larijani,

Mohammad Ali Taheri has been imprisoned since May 2011. He has been tried three times for his peaceful activities related to his spiritual teachings and practices. He remains in solitary confinement and has undergone several hunger strikes to protest his conditions of detention.

I urge you to **quash Mohammad Ali Taheri's conviction and release him immediately and unconditionally**. He is a prisoner of conscience targeted solely for the peaceful exercise of his rights to freedoms of belief, expression and association.
