Iran: Release Narges Mohammadi

For more information on this petition please contact: jhansen@amnesty.ca

Supreme Leader Ayatollah Sayed Ali Khamenei,

Narges Mohammadi is serving a 16-year prison sentence following an unfair trial. She was convicted solely as a result of her peaceful human rights work. She has several serious health conditions and needs specialized medical care, which she cannot receive in prison.

I urge you to:

- Release Narges Mohammadi immediately and unconditionally, as she is a prisoner of conscience, held solely for her peaceful human rights work; and ensure that, pending her release, she is provided with adequate health care outside prison.
