PRIME MINISTER, PLEASE KEEP YOUR PROMISE

AMNESTY INTERNATIONAL

Prime Minister Justin Trudeau has promised to respect the rights of First Nations, Inuit and Métis peoples, including by fully implementing the ***United Nations Declaration on the Rights of Indigenous Peoples.***

The *UN Declaration* provides a way forward in finally addressing the marginalization and oppression that has caused so much harm to Indigenous peoples.

Fully implementing the *Declaration* requires governments to work respectfully with Indigenous peoples and eliminate discrimination in Canada's laws and policies.

We stand with Indigenous peoples in calling on the federal government to keep its promise and work collaboratively with Indigenous peoples in developing a comprehensive and coordinated national action plan for full implementation of the *UN Declaration*.
