

MEXICO: Protect Indigenous Defenders

Javier Corral Jurado, Governor of Chihuahua:

We are deeply upset by the assassination of Rarámuri Indigenous land and environment defender **Julián Carrillo** on October 24, 2018, following death threats and the murder of at least 9 other members of his family and Indigenous leaders in **Coloradas de la Virgen** community since 2015.

Please ACT WITHOUT DELAY to protect Indigenous rights defenders in the Tarahumara mountain range:

- Investigate and bring to justice those responsible for all the killings.
- Ensure effective protection of Julián Carrillo’s family and community leaders, as they wish.
