

MEXICO: Take Action for the Missing

Alfonso Navarrete Prida, Secretary of the Interior:

We are horrified that more than 35,000 people are now reported missing in Mexico. We urge you to stop the disappearances, find the missing and bring all the perpetrators to justice by:

- Fully implementing the new Law on Disappearance and the National Search Commission, with adequate funding and human resources ;
- Implementing all the recommendations of the Inter-disciplinary Group of Independent Experts & UN High Commissioner for Human Rights with regard to the case of the students of Ayotzinapa.
