

Turkey: #FreeRightsDefenders!

To: Abdulhamit Gül, Minister of Justice

Human rights defenders, in Turkey including the Director of Amnesty International Turkey, İdil Eser, and former Chair Taner Kılıç have been detained and wrongly accused for crimes related to their lawful human rights work. They have not done anything wrong. Defending human rights is not a crime.

I call on you to immediately and unconditionally stop the unfair prosecutions and release all human rights defenders in Turkey, including İdil Eser and Taner Kılıç.
