AMNESTY INTERNATIONAL | AMNISTIE INTERNATIONALE | CANADIAN COUNCIL FOR REFUGEES

Dear Minister,

Refugees in Canada are often separated from their families for more than three years. The Universal Declaration of Human Rights affirms that the “family is the natural and fundamental group unit of society and is entitled to protection by society and the State.” To this end countries are called on to reunite refugee families separated as a result of persecution as soon as possible. Please restore dignity and unity to refugees and their families. I call on you to make refugee family reunification a priority. Introduce flexible and speedy procedures to reunite refugee families in Canada within six months.

Sincerely,
