

# IRAN: STOP REVENGE EXECUTIONS

**To: Head of judiciary, Gholamhossein Mohseni Ejei**

The death in custody of Mahsa Amini at the hands of Iran’s “morality” police in September 2022 sparked a nationwide uprising that continues into 2023. As part of a brutal crackdown, Iranian authorities are resorting to the death penalty as a weapon of political repression to instil fear among the public and end the popular uprising.

We call on you to:

- Immediately quash all convictions and death sentences.
- Refrain from seeking further death sentences.
- Ensure that anyone charged with a recognizable criminal offence is tried in proceedings meeting international fair trial standards without recourse to the death penalty and that principles of juvenile justice are observed for child defendants.
