

# COLOMBIA: PROTECT WATER DEFENDERS

**To: Alfonso Prada, Minister of Interior**

We are gravely concerned about armed attacks on the water defenders of FEDEPESAN, as well as death threats and attacks against environment defenders of AGUAWIL, CREDHOS and Alianza Colombia Libre de Fracking.

We call on you to:

- Take immediate action to find and prosecute those responsible for threats, attacks and killings of defenders who raise their voices to protect the right to a healthy environment in Colombia.
- Ensure effective protection measures, as requested by threatened defenders of the above-mentioned organizations.
