

HONDURAS: PROTECT WATER DEFENDERS

To: Attorney General Oscar Fernando Chinchilla

We are gravely concerned about stigmatization, death threats, criminalization, attacks, and killings of water defenders in Guapinol.

We call on you to:

- Ensure an independent, impartial, exhaustive investigation to identify and bring to justice everyone responsible for the assassination of Aly Magdaleno Domínguez Ramos and Jairo Bonilla Ayala.
- Refrain from using the justice system to harass defenders of the Guapinol River and ensure effective action, in coordination with the defenders, to protect them from harm.
