

CANADA: PUSH FOR A CEASEFIRE IN GAZA

To: Prime Minister Justin Trudeau

We are witnessing horror unfolding on an unimaginable scale in Israel and the Occupied Palestinian Territories. Tens of thousands have been killed and injured during relentless bombardment, including thousands of children. Almost the entire population of the occupied Gaza Strip has been displaced.

We welcome Canada's support for an immediate and sustained ceasefire by all parties in the occupied Gaza Strip. We urge you to follow up on that commitment by using all diplomatic means to make that ceasefire a reality.

In a context where all parties are persisting in their failure to respect the laws of war, a ceasefire is the most effective way to prevent further loss of civilian lives, ensure access to life-saving aid for people in Gaza and facilitate the safe release of all civilian hostages.

Yours sincerely,
